**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We require and expect you to maintain open networks. Do not take away unbundled access to last mile multi provider options. Nobody benefits if AT&T is granted monopolistic rights. That is simply un-American.

We have thoroughly benefited from having a new provider who offers competitive rates and excellent service.
